| | | |
|------|-------|--------|
| T201 | WDB-O | orange |
| T201 | WDB-Y | yellow |

Do the entire football field with one set!

FOOTBALL VALUE PACK

PROTECTIVE POST PADS
6' high protective pads for installation around post areas where body contact may occur. Constructed of 4" thick high density urethane foam covered with 18 oz. coated vinyl. Available with lock zipper or hook & loop fasteners. SPECIFY both colors:
1. POST PAD'S COLORS: red, white, forest green, yellow, royal blue, black, orange & grey.
2. INK COLORS: royal blue, yellow, burgundy, metallic gold, metallic silver, white, red, forest green & black.

WEIGHTED ANCHORLESS PYLON
Fluorescent orange 18" pylon. Heavy duty fiber reinforced vinyl cover with weighted base & safe foam filler. Ideal for football or soccer.
Wt: 4 lbs/pylon.
FBPYLON (set/4)

PYLON CARRY STORAGE BAG
Pro carry/storage bag for TUF-WEAR ground weighted pylons. Black with webbed handles and double pull zippers. Holds 12 pieces.
FB251CC (each)

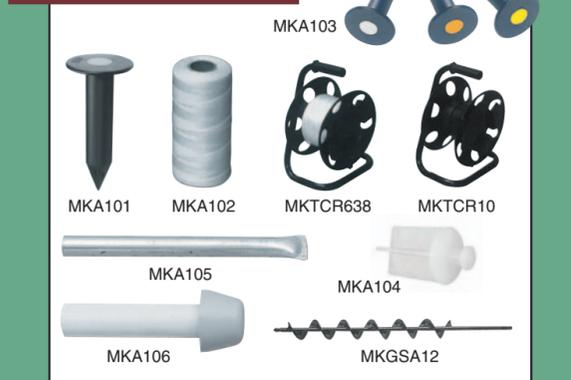

FOOTBALL EQUIPMENT CART:
To easily pick-up and conveniently store one set of 11 crushable sideline markers, a down box and chain set, a set of 8 end zone pylons.

NEW! SIDELINE TARP/MAT
Breathable turf protector in gray color. Heat fused on 1 side for abrasion resistance. Available w/grommets at 3' intervals ('G' at end of code) or no grommets ('X' at end of code). All tarps are 14'W.
LENGTH: 100'. WEIGHT: 155 LBS.
FBSLC100G (each)
FBSLC100X (each)

FOOTBALL VALUE PACK

Complete marking system plus game day markers!
THIS SET INCLUDES:
• 50 Ground Sockets with Plugs
• Installation Accessory Kit (IAK)
• 12 Spring-Loaded End Zone Pylons
• Storage Bag
• 4 each 10/20/30 yard Sideline Markers
MKMVP50 (set)
NOTE: Goal lines are marked with pylons. The coaches box obscures the 40-50-40, so mark the entire field more effectively with 4 sets of 10-20-30 sideline markers.

Color coded caps allow for easy recognition of multiple field layouts in a single location!

Part No. Description (above)
